

Method And Apparatus For Receiving A Universal Input Voltage In A Welding Power Source

Inventor: James M. Thommes

Serial No.: 10/774128

Method And Apparatus For Receiving A Universal Input Voltage In A Welding Power Source

Inventor: James M. Thommes

Serial No.: 10/774128

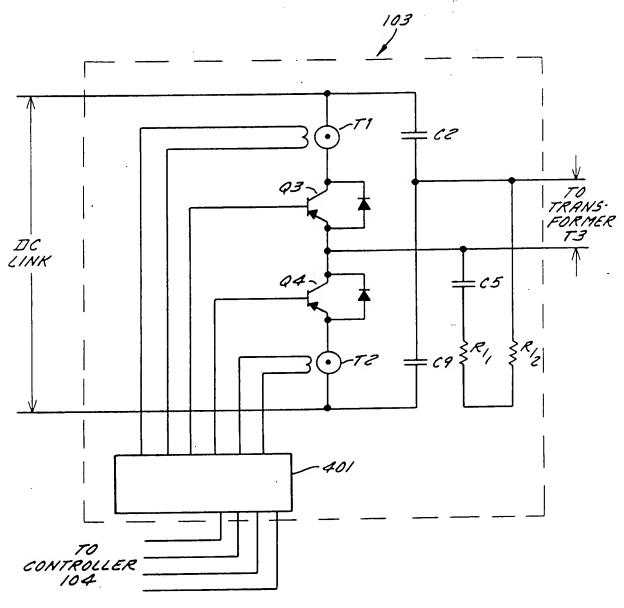

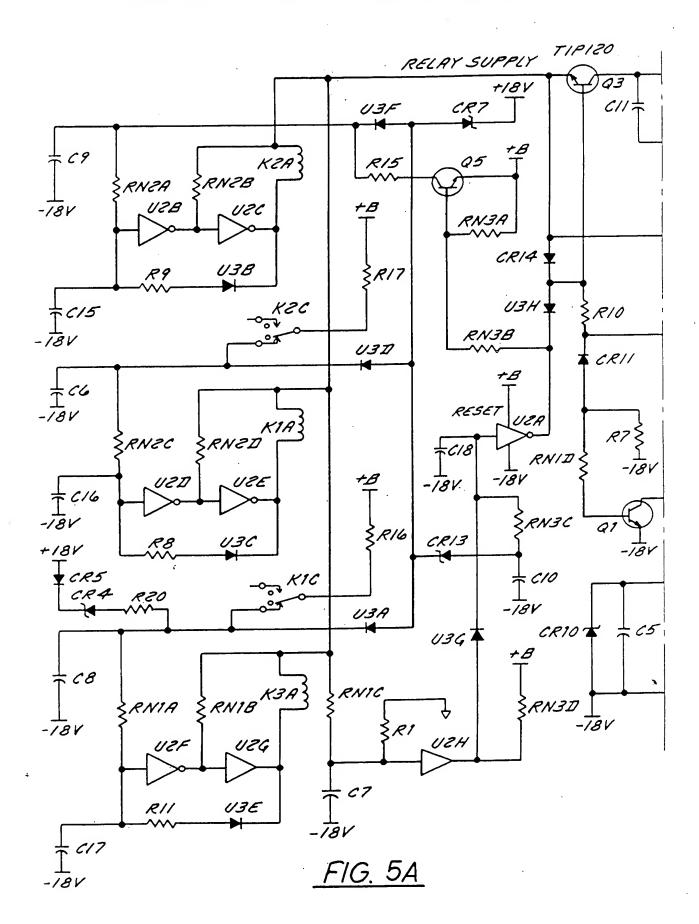

FIG. 4

Method And Apparatus For Receiving A Universal Input Voltage In A Welding Power Source

Inventor: James M. Thommes

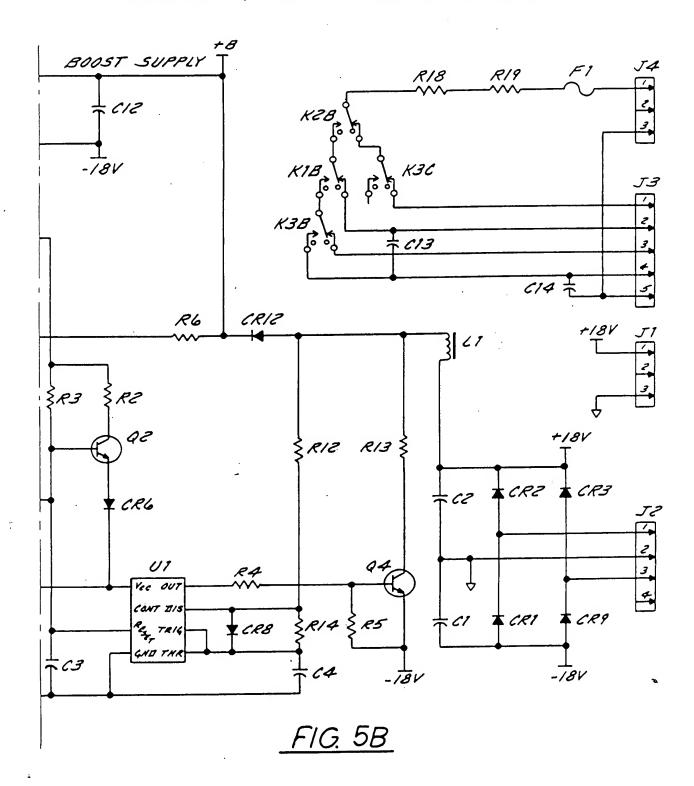

Serial No.: 10/774128

Method And Apparatus For Receiving A Universal Input Voltage In A Welding Power Source

Inventor: James M. Thommes

Serial No.: 10/774128

Method And Apparatus For Receiving A Universal Input Voltage In A Welding Power Source

Inventor: James M. Thommes

Serial No.: 10/774128 Docket No. ITW 7188.64

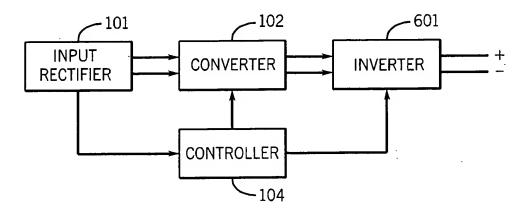

FIG. 6
